

Oregon Building Officials Association's Annual Business Meeting

2025 OBOA ABM & Conference

Thursday, July 17 – Friday, July 18

Hood River Inn Best Western Plus | Hood River, Oregon

ABM EXHIBIT + SPONSORSHIP OPPORTUNITIES

The Oregon Building Officials Association (OBOA) is a statewide professional non-profit organization providing exceptional educational and networking opportunities for our 1,100+ member representatives. Our members include building officials, inspectors, plan examiners, permit technicians, engineers, building designers, architects, and contractors. Our Annual Business Meeting (ABM) is the highly anticipated, flagship "must attend" event for code officials and building departments across Oregon and the PNW region.

We expect approximately 100 building safety professionals to attend the popular two-day event – the perfect size to personally meet and greet decision-makers and those with influence, reaching the most jurisdictions in Oregon all in one place. Most attendees will be Building Officials as well as other department leadership (leads, chiefs, etc.). Sponsorships are a great way to spotlight your name and company to the scores of building departments represented at our conference. Sponsorships show your support of OBOA and relationships with our member jurisdictions and their officials and reps. **Thank you for considering your participation in our 2025 OBOA ABM!**
