SPONSORSHIP OPPORTUNITIES

The Oregon Building Officials Association (OBOA) is a non-profit statewide organization offering multiple educational and networking opportunities throughout the year. Our members include building officials, inspectors, plan examiners, engineers, building designers, architects, and contractors. Our Annual Business Meeting (ABM) is THE annual “must attend” event for code officials throughout Oregon and region and we expect approximately 100-125 professionals throughout the two-day event. Sponsorships help support some of the meeting costs and allow OBOA to offer this valuable business meeting to its members and stakeholders. Sponsoring is a great way for you to network personally and keep your company in front of this important audience!
